## Who we are and what we're about

NUNU Arts and Culture Collective is a 501(c)(3) non-profit member arts organization dedicated to providing a stage/platform/gallery for creative living by facilitating community, economic, and artistic/cultural development.

We seek to help create long-term maintenance of well being focusing on social equity, healthy environments and economic stability. This is essentially—a sustainable ecosystem with arts and culture at the core.

It is with arts and culture that we are able to strengthen social, economic and inter-generational links and to identify and maintain an incredible level of authenticity.

We do so collectively through our many partners including: Jacques Arnaud French Studies Collective, Artists as One Voice, Deux Bayous Gallery Collective, Les Coudre Pointes Textile Collective, Festival of Words and more. We focus our creative energy on education programs, advocacy efforts, creation of unique events and a marketplace.

This not only serves to create a sense of pride but helps to leverage artists, businesses, non-profit organizations and governmental entities while establishing marketable sustainable creative products/communities.

## Education

We provide four unique learning and partnering opportunities for the community at large, professional artists and artist-run organizations: NUNU YOU, Artist in Residence Mentorship (ARM), Cultural Organization Incubator and Cultural Partners Program.

## Advocacy

Through our efforts with regional arts councils, Louisiana Citizens for the Arts, Americans for the Arts, CODOFIL, St Landry Parish Tourism, St Martin Parish Tourism, LA Walls, Corridor des Arts, and more, we focus our efforts on the following: cultural immersion, arts funding, public art and eco-tourism.

## Events

NUNU's provides for affordable, often no cost, access to events. Whether it is a festival, a monthly French table or a one-time event, the goal is to celebrate the commonality and diversity of culture and people.

## Marketplace

At Nunu's, visitors can view and procure original art; handmade crafts and furniture; locally produced film, music and books; vintage and original clothing; and have available silk screening and custom framing services, all within several gallery/retail spaces.

You can learn more about our programs by reading the Education, Advocacy, Events and Marketplace rack cards and brochures, visiting our website or stopping by for a visit.

## Why become a member?

Becoming a member of NUNU helps to support community building initiatives and encourages the development of a healthy ecosystems with art and culture at the core. We all deserve to live in diverse, healthy creative communities.

Become a member and take a step in the right direction.
